

# Basic Detail Report

**Title: Quinces and Pears**

Date: 1962

Primary Maker: com.gallerysystems.emuseum.core.entities.RecordXPerson@3deef

Medium: Watercolor and graphite on board

Description: "Quinces and Pears" is a luscious and vibrant example of Broemel's watercolors. The hues of brown and gold emanate warmth against the cold, vivid white background. The cascading sheet also adds texture as it ripples and gathers across the tabletop. Broemel expertly outlines the clear crystal bowl by employing light and reflections to articulate its hard surfaces. His use of color and sense of vitality captures the viewer's gaze.

Dimensions: 17 x 23 5/8 in.
