

# Basic Detail Report

**Title: Autumn Afternoon, The Highlands**

Date: 1961

Primary Maker: com.gallerysystems.emuseum.core.entities.RecordXPerson@3ea4a

Medium: Watercolor on board

Description: "Autumn Afternoon, the Highlands" shows a sea scene with the viewer looking up at the houses as if the viewer was swimming or situated on a vessel on the water. The viewer's eye is directed from the water to the seagulls flying over the ocean towards the houses on the cliffs. This painting depicts a typical New England vista and evokes scenic locations such as Cape Cod or Martha's Vineyard.

Dimensions: 21 1/4 x 29 1/4 in.
