Title: Anna de Lancey Mears

Date: 1926

Primary Maker: com.gallerysystems.emuseum.core.entities.RecordXPerson@3ff74

Medium: Oil on canvas

Description: Rand's talent for portraiture no doubt stems from her family, a long line of respectable women artists. The beautiful, warm tones throughout the piece highlight her subject's face, capturing her clear, poised expression. She meets our eyeline directly, though not confrontationally, inviting us into the composition. The elegant shawl Mears wears was donated to the New Britain Museum along with the painting.

Dimensions: 36 1/4 x 26 1/4 in. (92.1 x 66.7 cm)
