

# Basic Detail Report

**Title: Out of Death Sprung a Fountain of Light...**

Date: 2005

Primary Maker: com.gallerysystems.emuseum.core.entities.RecordXPerson@3e373

Medium: Acrylic on canvas

Description: Sam Gibbons' paintings are fascinating renderings of cartoons perversely entwined in spasms of candy-colored hyperkinetic activity. Sex and violence are recurring themes blended in painterly patterns of figuration and abstraction. Perfectly balanced, his compositions relate to computer-generated art and signify the artist's knowledge of technology and traditional painting.

Dimensions: 34 1/2 x 41 in.
