Title: Figure in the Woods

Date: 1888

Primary Maker: com.gallerysystems.emuseum.core.entities.RecordXPerson@3ebfa

Medium: etching

Description: Her intimate scenes of people walking in the landscape are very pleasing and recall journeys through the woods enjoyed by the artist and her female companions. In this instance, gigantic trees overwhelm and overshadow the traveler. The majesty of nature is therefore uppermost in the artist's mind.

Dimensions: 12 x 8 1/4 in.
