

Basic Detail Report

Title: Guilford Harvest

Date: 2005

Primary Maker: com.gallerysystems.emuseum.core.entities.RecordXPerson@3e572

Medium: Epson 7700 Ink Jet Print (Epson Ultrachrome inks)

Description: Vegetables or cut flowers, sometimes combined with shells, ribbons and feathers, are arranged directly onto the scanner's glass platen. Using Photoshop, she then makes adjustments to the color and sharpness and to remove any haze or lint from the digital image. Works are never retouched past the point of being true to life, and all objects are on one real layer.

Dimensions: 21 x 31 in.
